It goes pedal to the medal

and if you really want some problems then im drivin to

and imma make my music pop
and you can never make it slow down
cuz my shit is way too fast
drive fast drive fast (Drive fast)
cuz if you aint first then you're last
drive fast drive fast (drive fast) and if you're moving
slow get the fuck up off the road

Chorus:

Burn out, burn out burn out,
burn out, burn out burn out
Burn out, burn out burn out,
Burn out, burn out burn out.

Lost to ... i'll be flying round the city and the motha f*ck

'cause the weep look good ..
Hope .. when I pull up see that black little scoop
What they say, they 'll be like smooth then we ride with

My trunk so .. that's all my nigga do
Until there's nothing .. I just keep it movin
Sorry keep this moving ..and I ain't running .. you

[Chorus:]

See me in the streets then I've been driving like a
maniac

Catch me ..so you can hollaback

driving like a fool and I live ...

..15 inchget the .. but the nigga handle now

....

'cause the whole .. on the wheel one hand on the

'cause I burn up deadly but the weather so cold .. like
the pennies on the road.
