They be like smooth (what)
can you teach me how to dougie
you know why
cause all the bitches love me

All I need is a beat that's super bumpin
and for you you you to back it up and dunk it
put your arms out front lean side to side
they gone be on you when they see
you hit that dougie right
ain't nobody fuckin with my bro from morningside
he go by bubba and he hit that dance with thunder
I ain't from dallas but I d town boogie
I show my moves off now everybody tryna do me
I leave the function and all the ladies try to screw me
and you just do you and I'ma do me
niggas love to hate so they try to screw me
bitches be stuck to me I think they tryna glue me
I make the party shine brite when it start boomin
this beat is bubblegum so I had to chew it

Teach me how to dougie

The name is young
for them dudes who don't know me
I know I'm from the west but
I can teach you how to dougie
I step up in the club and
all the bitches bug me
all the niggas dancin
and none of them know me
I hear the spot screamin like

aye get it brodie
so I'm on my shoulders and
I take it real low
they like how he do that
he can dougie on the floor
and when that nigga stop
they like dougie some more
I'm like a nigga kinda tired
then I pass it to the bro m bone
show these cats how they do that
down south dance that
we learned a little too fast
and brought it to the hood
and got the whole crew askin

Teach me how to dougie
teach me
teach me how to dougie
[x2]
All my bitches love me
all my
all my bitches love me
all my bitches love me
you ain't fuckin with my dougie
[x2]

Back of the party I don't really like to boogie
I'm just tryna get bent and meet a thick red bone
she do her dougie and all them bitches hatin
but I'm bout to escape with a bitch and head home
she got her friends so its a two man
and I run a runner even if her legs long
she like you hubby but I think she love me
but I change the subject and I do my dougie
cause I don't give a fuck blow trees get money
me smooth heff in the back with playboy bunnies
we gone make em do the dougie in the middle of the
bed
and when I asked for some head the bitch looked at me
funny
Bye bitch you can't tell me nothin
star make the beat I just took it out the oven
I just hit the dougie while everybody clubbin
and I hate skinny jeans cause the burner keep rubbin

Teach me how to dougie
teach me
teach me how to dougie
[x2]
All my bitches love me
all my

all my bitches love me
all my bitches love me
you ain't fuckin with my dougie
