Aye! aye!

They be like smooth(what?)

Can u teach me how to dougie?

You know why?

Cause all da girls love me(aye)

All I need is a beat that's super bumpin

And for you, you, and you to back it up and dougie!

Put your arms out front, lean side to side

They gona be on you when they see you hit dat dougie
right?

Ain't nobody messin with my bro from other side

He go by bubba and he hit dat double dougie

I ain't from dallas but I town boogie

I show my moves and everybody tryna do me

I leave da function and all da ladies tryna love me

You just do you and I'm a do me(all day)

boys love to hate so they try to shoot me

Taylor be stuck to me I think they tryna glue me

I make the party shine bright when it start to boomin

Dis beat was bubblegum so I had to chew it

Teach me how to dougie

T-teach me how to dougie

Teach me how to dougie

T-teach me how to dougie

Everybody love me

Every, Everybody love me

Everybody love me

You ain't messin with my dougie!

My name is young!

For da dudes who don't know me

I know I'm from da west but I can teach you how to
dougie!

Step up in da club and all these girls bug me

All da dudes dancin and none of them know me

I hear da crowd screamin like "aye! get it brody! "

So I'm on my and I take it real low
Dey like "how you da dat? " he can dougie on the floor
And when dat dude stop they like "dougie somemore!
"

I'm like a kid kinda tired so, I pass it to da bro!
M-bone! show these cats how to do dat down south
dance
Dat we learned a lil too fast and bought it to da hood
And got da whole crew askin...

Back of the party ion really like to boogie
I'm just tryna get bent and meet a thick redbone
(Mmm) we do da dougie and da niggas hatin but I'm
bout
To act a skateboard a girl and head home
She bout to dougie and hit with 2 hands
And I run it run it even if her legs long
She like you my hubby and I think she love me but,
I change da subject and I do my dougie
But, ion give a care, get A's, get money
Leave 2 heifers fein in like sum playboy bunnies
Dey gon make us do da dougie in da middle of da
dance
And when I asked for some money da girl looked at me
funny
Bye! girl you can't tell me nothin starr baked da beat
And I just took it out the oven, I just hit the dougie
when everybody
Clubbin and I hate skinny jeans cause da burner keep
rubbin! (oh!)
