Let's have some fun this beat is sick
Let's have some fun this beat is sick
Don't think too much just bust that stick

The beat is sick so i am gonna play doctor
I need a booth, headphones, mic and a scalpal
now let me bring this bitch to life
If you dont see the pitch illthrow you the strike
If your bitch love tunes imma throw her the mic
She can ride with me but imma be dropping her off
tonight
Because i am too smooth for this cupcake
Plus i got a bus full of bitches going up state
I stay on
so i am always up late
Three in the morning and these hoes show they fuck
face
So i need at least two to stick
im on my iPhone just to tell them this

Let's have some fun this beat is sick
Let's have some fun this beat is sick
Don't think too much just bust that stick
bust that stick bust that stick bust that stick

...been this career full time .. they call me swag for a
reason
minx in the
winter, dont dress out of season
dont come to the booth if your planin on leavin
couple shots to the head like your plannin on thinkin
bitch so wet like my shoe strings leakin
for the ice Q, imma be the next man
like what's the connection?
Swagga on the beat i got a Louie flow
Imma tear the booth down and hit the Louie store

Let's have some fun this beat is sick
Let's have some fun this beat is sick
Don't think too much just bust that stick
bust that stick bust that stick bust that stick

i am on top like the ... i am in these three like ..
do son't bite my .. leave you in reharsel
im the rapper chuck norris
put your life on the line and your career into storage
i live her you are just rappers just visit, imma rap it till
you get it
your a hip hop tourist,
my mind is different zone
this beat is sick with no medication

Let's have some fun this beat is sick
Let's have some fun this beat is sick
Don't think too much just bust that stick
bust that stick bust that stick bust that stick
