Well the rich man cuttin' me off in a jet black Cadillac, K  
jack  
You're just water off a duck's back  
You ain't messin' with me  
Yeah the boss man tryin' to pull me into a two-bit half-  
wit shoutin' fit  
He's just a-itchin' for me to quit  
But he ain't getting to me .. no

Cause a little bit of you goes a long long way  
Long as you're there to start my day  
It don't matter any which way it goes  
I'll be alright - Baby I know  
All I need is a mornin' kiss  
And I can just sail through a day like this  
You got a lot of what it keeps a smile on my face  
A little bit of you goes a long long way

Well the day drags on; five o'clock whistle crows time  
to go  
Oh no that's when the old bald tire goes  
But it ain't gonna get me down  
Got her all jacked up far right four lane; heavy rain  
What a pain; I ought to go insane  
But tomorrow I'll be ready for another round yeah  
Cause a little bit of you goes a long long way  
Long as you're there to start my day  
It don't matter any which way it goes  
I'll be alright - Baby I know  
All I need is a mornin' kiss  
And I can just sail through a day like this  
You got a lot of what it keeps a smile on my face  
A little bit of you goes a long long way

(Instrumental Break)

Cause a little bit of you goes a long long way  
Long as you're there to start my day  
It don't matter any which way it goes  
I'll be alright - Baby I know  
All I need is a mornin' kiss  
And I can just sail through a day like this

You got a lot of what it keeps a smile on my face  
A little bit of you goes a long long way

You got a lot of what it keeps a smile on my face  
A little bit of you goes a long long way
