My friends all ask me  
How i'm doin  
Since you took you sweet love away  
And i kno that they're  
Just showin they care  
But what do they expect me to say

So i lie  
I tell them i'm alright  
I lie  
I tell them i'm fine  
I don't think they really wanna know the truth  
What's the use?  
What can they do?  
So i look them straight in the eye  
And i lie

They offer a shoulder to cry on  
Anytime, i just have to call  
But little do they know  
The river that would flow  
If i let the first tear drops fall

So i lie  
I tell them i'm alright  
I lie  
I tell them i'm fine  
I don't think they really wanna know the truth

What's the use?  
What can they do?  
So i look them straight in the eye  
And i lie

I've often wondered what i'd do  
If i were to run into you  
Would my heart fall at your feet  
Would my foolish pride get the best of me  
Well honestly i believe

That i'd lie  
And tell you i'm alright

I'd lie i'd tell you i'm fine  
I could never ever let you know the truth  
That i'm still in love and so confused  
So i'd hide my pain deep inside  
Then i'd look you straight in the eye  
And i'd lie
