A young mans dreams
Wild as a mountain stream
Rush all to the sea
Well I was restless and I was reckless
Trying to stay free

I swore that no one would hold me very long
But in your arms I found the place where I belonged

Now I'm not running anymore
No more chasing down the sun
The moment I looked in your eyes I knew you were the
one
Oh your velvet chains have taken my heart for sure
And baby it's a sweet surrender
I'm not running anymore

The clouds rolled by
In the blue summer sky
And I watched them disappear
Cause I'm satisfied and finally life is right
Well you make it all so clear
If you hadn't saved me I would still be on my own
And not knowing where I'm going just rambling on and
on
But I'm not running anymore
No more chasing down the sun
The moment I looked in your eyes I knew you were the
one
Oh your velvet chains have taken my heart for sure
And baby it's a sweet surrender
I'm not running anymore

Till you helped me I was never any free
Wrapped here in your love is right where I want to be

No I'm not running anymore
No more chasing down the sun
The moment I looked in your eyes I knew you were the
one
Oh your velvet chains have taken my heart for sure
And baby it's a sweet surrender

I'm not running anymore

I'm not running anymore
