Well, we don't see much of Rosie
Since her boyfriend moved to town
Must be layin' low somewhere
Hidin' underground
It's the sweetest thing you've ever seen
When they chose to reappear
It reminds us all that there's still hope
That somethin' good is near

It's kinda like it's love
Kinda like it's love
Kinda like it's love
Particularily when my soul
Starts hummin'
Umm hummm humm oh yeah

Oh in San Juan Capistrano
When the swallows fly in to town
Well they flutter in the hearts of some
And they work their way on down
Well I've never read the movie
And I haven't seen the book
Well if it turns out like they say
I just might take a look

Kinda like it's love
Kinda like it's love
Kinda like it's love
Particularily when my soul
Starts hummin'

(guitar solo)

Oh it's like everything (ooooo do wop)
You've ever hear (ooooo do wop)
It just can't be (ooooo do wop)
Put in words (ooooo)

I'll kiss the lips of Providence
When she comes around
Sing the songs of experience
With your flat feet on the ground

Somethin' funny happened to me
On my way to way the rent
Whoa my Cupid shot an arrow in
And I know just where it went

Kinda like it's love
Kinda like it's love
Kinda like it's love
Particularily when my soul
Starts hummin'
Kinda like it's love
Kinda like it's love
Kinda like it's love
Particularily when my soul
Starts hummin'

Hmmm oh eah
Uh Huh
Umm hummm
Do do do dee
Oh yeah
