Well, she don't wake and call my name,  
Anymore.  
And she don't pick up on the first ring,  
Anymore.

I can hear it in her voice,  
There's somebody else.  
And I got nobody to blame,  
But myself.

She ain't missing, missing me  
By now I'm just a memory  
Her heart's moved on  
And now it's free  
She ain't missing, missing me

Well, he's loving her in ways I won't,  
Anymore.  
And he's doing things that I don't,  
Anymore.

And I bet right now,  
There's a smile on her face.  
While she's kissing the one,  
That's taking my place.

She ain't missing, missing me  
By now I'm just a memory  
Her heart's moved on  
And now it's free  
She ain't missing, missing me

Yeah, I'll admit that I was gone,  
Oh oh  
But I can't help but wonder..  
It didn't take her long.  
No.

She ain't missing, missing me  
By now I'm just a memory  
Her heart's moved on

And now it's free  
She ain't missing, missing me

She ain't missing, missing me  
By now I'm just a memory  
Her heart's moved on  
And now it's free  
She ain't missing, missing me
