Paid first and last month's rent, I don't know why I even  
carried in this old bed of mines  
It's not like I ever sleep  
All I do is think of her, and wonder how I'm gonna make  
things work  
Cause I know as a dad I got a lot of responsibility  
Even tho God gave this gift to the both of us  
Some how every other weekend is how it ended up

(Chorus)

When the telephone rings, I drop everything  
Cause when all u got is that 8 o'clock, nite nite dad I  
miss you a lot  
I stop in my tracks, I try to act strong when she calls  
And I thank God she can't hear tears... when they fall

Now it's her Dr. Seuss and me and she's learning how  
to read  
And I can't see those pictures, but I can hear those  
pages turn  
And her mother says it bath time, as she blows a kiss  
through the line  
I don't kno what's worse saying goodbye, or talking to  
her  
Cause I'm the one that should be there tucking her in  
the bed  
But since her voice is all I have I'm thankful for what I  
get

(Repeat chorus)

If she knew I was crying she might think it's her fault,  
oh but that's just me missing her  
Every time we talk... every time we talk

(Repeat chorus)
