I was driving through the country when my car broke
down

Just my luck it was a one horse town

I was reaching for my phone

When out of the blue

A farmers daughter came to my rescue

Little did I know that this young country girl

Would fix my car and change my world

Cause I've been line dancing, two stepping, boot
scooting, tush pushing, pie tasting, car racing, fly
fishing, skinny dipping, skeet shooting, horseback
riding, tire swinging, whiskey drinking, in a bar, on
some hay, roll around dixie, kissing, taken for a rodeo
ride, I've been countrified

Whoo

I'm learning how to farm while she makes homemade
bread

My friends can't believe how well I'm being fed

I'm building a house and my folks are coming up

I even sold my car and bought a pickup truck

Well I'm baling hay twelve hours a day

But come every weekend we go out to play

We go line dancing, two stepping, boot scooting, tush
pushing, pie tasting, car racing, fly fishing, skinny
dipping, skeet shooting, horseback riding, tire
swinging, whiskey drinking, in a bar, on some hay, roll
around dixie, kissing, going for a rodeo ride, I've been
countrified

Little did I know that this young country girl

Would capture my heart and change my world

Now I've been line dancing, two stepping, boot
scooting, tush pushing, pie tasting, car racing, fly
fishing, skinny dipping, skeet shooting, horseback
riding, tire swinging, whiskey drinking, in a bar, on
some hay, roll around dixie, kissing, taken for a rodeo
ride, I ain't never felt so satisfied cause I've been

countrified
