Girl I know I'm the farthest thing from your mind  
So I'm headed down the line  
I've lost my dignity, gotta have some sanity  
So listen girl whatever you do, don't try to find me

At the Holiday Inn in Dallas  
The one off L B J  
You can see the sign from the freeway  
Exit 19A  
At the end of the hall on the top floor  
Overlooking the pool 3 0 4  
That's probably where I'm gonna be  
So don't try to find me

I won't be there long  
I'll just pass through  
I'll leave Dallas in a day or two  
I'd catch a rodeo, look up a friend I know  
After that I'm on the move  
Don't try to find me

At my momma's house in Houston  
Just off of Wayside Drive  
At the high school hang a right  
Last one on the left hand side  
There's a fence with a rusty old gate  
Broken mailbox one oh (?eight/A)  
That's probably where I'm gonna be  
So don't try to find me
