I spent my life savings on a cozy little farm 20 miles out  
of town  
It came equipped with a broken down fence and a half  
breed blue tick hound  
Well i called it home though i'd be alone  
But much to my surprise  
I messed up and bought  
The redneck pasture party hunting grounds  
Got the boxes unpacked we finally settled down,  
She was turnin off all of the lights  
When somethin caught my eye comin cross my field  
And it looked like a 4 wheel drive  
And all of the sudden man there was a buzzin  
And trucks parked down by the creek  
They were laughin dancin singin and havin one hell of  
a time on me

And i said

Get off of my farm where im the lawman  
thats my fishin hole and my deer stand  
My corn field aint no community park  
So you better stop sneakin around in the dark  
Go park them trucks at the holiday inn  
I dont wanna witness all of your sins  
So when you cross my fence in gonna lose my sense  
And i aint gonna tell you again  
To get off of my farm

I fired a shot in the air and they scattered everywhere  
Like They were roaches when you turn on a light  
They were runnin for cover and screamin for their  
mothers  
Firin up their 4 wheel drives  
My old half breed hound makes a whale of a sound  
So i thought I'd let him get one  
Well he caught him a trail and you ought of heard 'em  
yell  
Ive never had so much fun

And i said

Get off of my farm where im the lawman  
thats my fishin hole and my deer stand  
My corn field aint no community park  
So you better stop sneakin around in the dark  
Go park them trucks at the holiday inn  
I dont wanna witness all of your sins  
So when you cross my fence in gonna lose my sense  
And i aint gonna tell you again  
To get off of my farm.....

Yes boy...

Get your ass off my farm... aint your property
