I knew her Daddy was a preacher man  
When I asked him for his daughter's hand  
Said fire and brimstone was made for me  
The answers no and now you can leave

But I aint leaving San Antone alone  
You can pray and pray but you won't pray me gone  
The lords done told me son just (? hold your  
own/hunger on)  
So I aint leaving San Antone alone

I went and told her what her Daddy said  
She started cryin cause her hurt her bad  
Girl dry those eyes show some faith in me  
This lovin heart can guarantee

I aint leaving San Antone alone  
He can pray and pray but he won't pray me gone  
The lords done told me son just (? hold your  
own/hunger on)  
So I aint leaving San Antone alone

Well what I forgot to say  
I left your Daddy's place  
Your Momma followed me outside  
She said don't pay him no mind  
Just give me tonight  
Me and the Lords gonna show him a sign

I aint leaving San Antone alone  
I got my baby and her younger brother Joe  
Her Mom and Daddy are following me  
To a little church in the hills of Tennessee

I aint leaving San Antone alone  
You can pray and pray but he won't pray me gone  
The lords done told me son just (? hold your  
own/hunger on)  
So I aint leaving San Antone alone

I aint leaving San Antone alone
