My little girl met a new friend  
Just the other day  
On the playground at school  
Between the tires and the swings  
But she came home with tear-filled eyes  
And she said to me "Daddy, Alyssa Lies"

But I just brushed it off at first  
Cause I didn't know how much my little girl had been  
hurt  
Or the things she had seen  
I wasn't ready when I said you can tell me  
And she said

[Chorus]  
Alyssa Lies  
To the classroom  
Alyssa lies  
Everyday at school  
Alyssa lies  
To the teachers  
As she tries to cover every bruise

My little girl laid her head down  
That night to go to sleep  
As I stepped out the room I heard her say  
A prayer so soft and sweet  
God bless my mom and my dad  
And my new friend Alyssa  
I know she needs you bad because

[Chorus]

I had the worst night of sleep in years  
As I tried to think of a way to calm her fears  
I knew just what it was I had to do  
But when we got to school on Monday I heard the news

My little girl asked me why everybody looked so sad  
The lump in my throat grew bigger  
With every question that she asked  
Until I felt the tears run down my face

And I told her that Alyssa wouldn't be at school today

Cause she doesn't lie  
In the classroom  
She doesn't lie  
Anymore at school  
Alyssa lies  
With Jesus  
Because there's nothing anyone would do

Tears filled my eyes  
When my little girl asked me why  
Alyssa lies  
Daddy  
Tell me why  
Alyssa lies
