Half a dozen cars at the parking lot strip mall  
Sitting on the hood, yeah getting on their yee haw  
Hear 'em out prowlin', growlin' through the straight  
pipe  
Heartbeat thumping, pumping, jumping at the red light

East, west, north, south  
City street, rural route  
Everybody knows what I'm talking about  
Talking about non-stop  
Nine o'clock Saturday  
Anywhere USA  
Anywhere USA

Pretty little teen queen out past her curfew  
Painted on blue jeans, powder-puff Subaru  
Escobar and Rico, Chevy magnifico  
High ride, low ride bouncin' to the beat yo

East, west, north, south  
City street, rural route  
Everybody knows what I'm talking about  
Talking about non-stop  
Nine o'clock Saturday  
Anywhere USA  
Anywhere USA

Debutante, farm boy, city slicker, makin' noise  
Twenty-inch spinners on a shiny toy  
Boston, Austin, Chattanooga, L.A. - Hey!  
Anywhere USA  
Anywhere USA  
Man anywhere USA
