you were sittin on his tailgate  
she was lovin on his roughneck  
she was talkin bout runnin away  
while he was puffin on a cigarette  
& just thinkin  
how am i gonna say goodbye

he said girl you got it good here  
you don't need to mess with  
a guy going nowhere  
she said how's about Texas?  
he got up and shook his head  
then said  
aint ya been listenin  
it's never gonna work out  
and i think it'd be a good time now  
to let me go

you don't need me baby  
stop holdin on the way you are  
don't you know I'm no good for you  
and it'll only break your heart  
if you don't let me go

he said other than a dreamer  
i ain't nothing but a drifter  
you could do a lot better  
he leaned over and he kissed her  
he said you'd got another year of college  
and a good momma and a daddy

and me i got 93 dollars and this old '82 Chevy

so let me go  
you don't need me baby  
stop holdin on the way you are  
don't you know I'm no good for you  
and it'll only break your heart  
if you don't let me go

she said nice try  
but you can't hide behind those shades there on your

face  
see i don't think you're all that tough  
i just think you're scared of love  
and i think i won't take up that much space

so let me go  
take me with ya baby  
it's so cold outside your arms  
and we both know that you're not as strong  
as you think you are

so let me go take me with ya baby  
i'm alone where you are  
we both know i'm so good for you  
and it'll only break ya heart  
down the road if you don't let me go...  
with ya baby

let me go
