Girl, I Hate me
For how I hurt you
'Cause that ain't no way to love a woman

I used up your heart
And all your forgiveness
I tore you apart and now you're down

To where my apologies
Are just empty words
And my tears
Are just salt and water
Where down on my knees
That's just bones on boards
Yea, I'm where sorry don't matter anymore.

There was a time
When I was the one
That you trusted unconditionally

Now look at you
Lookin' at me
With that blank stare that only believes
That my apologies
Are just empty words
And my tears
Are just salt and water
Where down on my knees
That's just bones on boards
Yea, I'm where sorry don't matter anymore.

Girl I wish I could tell you
How sorry I really am
But I just can't
Cause I chose to make

My apologies
Just empty words
And my tears
Just salt and water
Where down on my knees
Thats just bones on boards

I'm where sorry don't matter
I'm where sorry just don't matter
I'm where sorry don't matter anymore.
