With me on Your mind  
You looked through time  
And saw what I  
Would become without Your blood  
Without Your breath  
And so You came

And You drank from that precious cup  
You partook with love  
And that war You won  
For I could do nothing  
No sword in hand  
No way to stand and fight

Now I forever belong to You  
I will always belong to You

If on Your throne You'd stayed  
If justice had her way  
Alone I'd have remained  
Without this song to sing  
And Your breath to breathe  
And so You bled for me

And I forever belong to You  
And I will always belong to You
