All along I walked a path to nowhere
I was broken all inside
Till I saw You with Your arms stretched out before me
And I ran to You, now I sing

Great is the Lord
Great is the Lord
The One who set me free
He's the King that rescued me

You know what to say and how to hold me
You quenched your thirst, I have for so long
Yeah I love the way You pull me close and told me
You'll never leave me, yeah forever I'll sing

Great is the Lord, yeah I sing
Great is the Lord
The One who set me free
You're the King that rescued me

Yeah I ran to You
With open arms You took me in
And now I run with You
Now I know I'll never be alone again

Yeah You take me away
Yeah You take me away with You
Yeah You swept me away
Yeah You swept me away with You
Away with You, yeah

Great is the Lord
Great is the Lord, yeah
Great is the Lord
Great is the Lord

Yeah I ran to You
With open arms You took me in
And now I run with You
I'd love to run with You

Yeah I ran to You

With open arms You took me in
And now I run with You
Now I know I'll never be alone again

Forever, forever great, You are great
Great is the Lord, great is the Lord
Sing now, great is the Lord
You never end, You never end

Great is the Lord
Great is the Lord
Great is the Lord
Great is the Lord
Great is the Lord
