There's a place where the angels are dancing like  
children  
And it's calling me  
And all the saints with joyful hearts are joining in  
They're dancing in the streets

They move with beauty, they move with grace  
As they celebrate the coming day  
When the lost will be found  
When every knee will hit the ground and we'll sing

Holy, holy is the Lord  
Holy, holy is the Lord

There's a place where the children are singing like  
angels  
And it's calling me  
And all the saints with outstretched arms are joining in  
In the melody

With hearts aflame and voices raised  
They will celebrate the day when we'll sing

Holy, holy is the Lord  
Together with one voice  
Holy, holy is the Lord  
Let all the earth rejoice

Holy, there's no one like You, Lord  
Magnificent You are  
Holy, holy is the Lord

All the walls will crumble down  
And we will at last be one  
As we join the saints and we join the angels  
Around the throne we'll cast our crowns and sing

Holy, holy is the Lord  
Holy, holy is the Lord

Holy, holy is the Lord  
Together with one voice

Holy, holy is the Lord  
Let all the earth rejoice

Holy, there's no one like You, Lord  
Magnificent You are  
Holy, holy is the Lord
