What is this place I found
The sacred ground
Where You and I will run
All that I'd never leave from here

With every second spent
The world around me
Seems to fall away
And with it all concerns and fears

So I'm thanking You now
For showing me how to love You
For showing me how to find myself in You
Here's my song
And I am Yours
And I am Yours

What is this place I found
That brings to life
The deepest parts of me
Yeah, this is grace that pulls me through

With every glance from You
That come my way
I'm feeling more alive
So I'm gonna keep my eyes on You

Yeah, I'm thanking You now
For showing me how to love You
For showing me how to lose myself in You
Here's my song
And I am Yours
And I am Yours

I'm telling You, telling You
That I am Yours
And I am Yours

Yeah, I'm thanking You now
For showing me how to love You
For showing me how to lose myself in You
Here's my song

And I am Yours
And I am Yours

And I am Yours
I'm telling You, telling You
That I am Yours
You're showing me, showing me
That I yeah, am Yours
And I am Yours
