Go make your next choice be your best choice  
And if you're looking for a boy with a voice, well baby  
I'm single  
Are you in the mood for some dude, are you in the  
mood to be subdued  
Or would you rather just mingle?  
Let's get set then to go then and let us jet set we'll be  
like the jetsons  
You can be jane my wife. should I marry jane tonight?

See, I would if I could. I'll do anything spontaneously

Or we can keep chilling like ice cream filling  
We can cool in the gang if you'd rather hang  
Ain't no thing. I can be lugubrious with you.  
I got no ifs ands ors no wits or what's about it  
But this place is getting crowded and my house is two  
blocks away  
Or maybe closer

See, I would oh if I could. I'll do anything  
spontaneously.  
You know I would, oh if I could. I'll do anything  
spontaneously.

If you could be nimble, you'd have it simple just like  
me.  
So go on and try it, do not deny yourself your freedom.

So step on up to the plate get a date with mraz  
See you better act fast because supplies they never  
last  
Now did you know this is limited time offer  
So go make your mind up before our times up  
You better start winding it up because the party's  
almost over  
(And if you should know girl, go a little bit lower now)

See how I would do, if I could do. I'll do anything  
spontaneously.  
You know I would, and I can prove it. I'll do anything

spontaneously.
