Where can I go?  
Where can I run from You?  
You're everywhere

You know all my thoughts  
You see through my ways  
And still You come to me

And so I sing a love song to You  
And so I sing a love song to You

From Heaven above  
Earth down beneath  
Your love rains down on me

You know all my thoughts  
You see through my skin  
And still You come to me

And so I sing a love song to You  
And so I sing a love song to You

You walk on waves, You run with clouds  
You paint the sky for me to see  
Your majesty, Your majesty is why I sing

And this is a love song to You  
And this is a love song to You, yeah  
And this is a love song to You, yeah  
And this is a love song to You, to You, yeah

You walk on waves, You run with clouds  
You paint the sky for me to see  
Your majesty, Your majesty is why I sing

Yes it's all for You

In my life a love song to You  
In my life a love song to You  
Everything I do  
In my life a love song to You, yeah  
In my life a love song to You

In my life a love song
