Hey Mr. Curiosity  
Is it true what they've been saying about you  
Well are you killing me  
You took care of the cat already  
And for those who think it's heavy  
Is it the truth  
Or is it only gossip  
Call it mystery or anything  
Oh just as long as you call me  
I sent the message on did you get it when I left it  
Said well this catastrophic event  
It wasn't meant to mean no harm  
But to think there's nothing wrong is a problem, oh

I'm looking for love this time  
Sounding hopeful but it's making me cry  
(Trying not to ask why)  
This love is a mystery  
Mr. Curious...

Come back to me  
I'm a mr. waiting on and never patient can't you see  
That I'm the same the way you left me, left me  
In a hurry to spell check me  
And I'm underlined already in envy green  
And pencil red  
And I've forgotten what you've said  
Will you stop working for the dead and return  
A mr. curious well I need some inspiration  
It's my birthday and I cannot find no cause for  
celebration  
The scenario is grave but I'll be braver when you save  
me  
From this situation laden with hearsay, oh

I'm looking for love this time  
Sounding hopeful but it's making me cry  
(Trying not to ask why)  
This love is a mystery  
Mr. Curiosity  
Hey mr. please

Do come and find me, oh  
Oh, come on oh, yea yea

I'm looking for love this time  
Sounding hopeful but it's making me cry  
(Trying not to ask why)  
Cause love is a mystery  
Mr. curiosity  
Hey mr. please  
Do come and find me

Love is blinding when your timing's never right  
Oh but who am I to beg for difference  
Finding love in a distant instant  
But I don't mind  
Oh love at least I tried, well I tried...
