The cross before this world behind  
No turning back, raise the banner high, it's not for me,  
it's all for You  
Let the Heaven shake this splendor sky  
Let the people clap their hands and cry, it's not for us,  
it's all for You

Not to us but to Your name be the glory  
Not to us but to Your name be the glory

My hearts unfold before Your throne  
The only place for those who know, it's not for us, it's  
all for You  
Send Your holy fire on this offering  
Let all worship and for the world to see, it's not for us,  
it's all for You

Not to us but to Your name be the glory  
Not to us but to Your name be the glory  
Not to us but to Your name be the glory  
Not to us but to Your name be the glory

The earth is shaking, the mountain's shouting, it's all  
for You  
The waves are crashing, the sun is rising, it's all for  
You  
The universe standing and singing the song for You  
The children dancing and dancing and dancing  
It's all for You, it's all for You, yeah, it's all for You

Not to us but to Your name be the glory  
Not to us but to Your name be the glory  
Not to us but to Your name be the glory  
Not to us but to Your name be the glory

Not to us but to Your name, it's all for You  
Not to us, it's all for You
