I stand before You, Lord and give You all my praise  
Your love is all I need , Jesus, You're all I need  
My Life belongs to You, You gave Your life for me  
Your grace is all I need , Jesus, You're all I need

Hold me in Your arms, never let me go  
I want to spend eternity with You

And now that You're near everything is  
different  
Every thing's so different, Lord  
And now my life has changed, my life you've  
changed  
I want to be with You, I want to be with You

Now that You're near, yeah, I want to be with  
You  
My life has changed, yeah, I want to be with You

I stand before You, Lord and give You all my praise  
Your love is all I need , Jesus, You're all I need  
My Life belongs to You, You gave Your life for me  
Your grace is all I need , Jesus, You're all I need

Hold me in Your arms and never let me go  
I want to spend eternity with You

And now that You're near everything is  
different  
Every thing's so different, Lord  
And now my life has changed, my life you've  
changed  
I want to be with You, I want to be with You

Now that You're near everything is different  
Every thing's so different, Lord  
And now my life has changed, my life you've  
changed  
I want to be with You, I want to be with You

And I will sing for You always  
'Cause in Your presence Lord is where I want to stay

Hold me in Your arms and never let me go  
I want to spend eternity with You

And now that You're near everything is  
different  
Every thing's so different, Lord  
And now my life has changed, my life you've  
changed  
I want to be with You, I want to be with You

Now that You're near everything is different  
Every thing's so different, Lord  
And now my life has changed, my life you've  
changed  
I want to be with You, I want to be with You

Now that You're near, I want to be with You  
Oh, I want to be with You  
My life has changed, oh, I want to be with You
