Oh love it's a brittle madness, I sing about it in all my
sadness

It's not falsified to say that I found God so inevitably
well,

It still exists pale and fine. I can't dismiss

And I won't resist and if I die well at least I tried

And we just lay awake in lust and rust in the rain

And pour over everything we say we trust

It happened again, I listened in thru hallways and thin
doors

Where the rivers unwind, rust and in the rain endure.

The rust and the rain so thin

And I'm in like Flynn again

So go on place your order now cause some other time
is right around the clock

You can stand in line. it finally begins just around the
block

You can have your pick if your stomach is sick whether
you eat or not

And there is just one thing that I never forgot

And we just lay awake in lust and rust in the rain

And pour over everything we say we trust

It happened again, I listened in thru hallways and thin
doors

Where the rivers unwind, the rivers unwind so easy

These are the comforts that be

You see well I'm feeling lucky oh well, maybe that's just me

You should be proud of me oh well if you could only see

That we're gonna grow on up to be, ah yes

We are thick as thieves

Oh love it's a brittle madness, I sing about it in all my sadness

It's not falsified to say that I found god so

Inevitably, well it still exists pale and fine I can't dismiss

And I won't resist and if I die well at least I tried

And we just lay awake in lust and rust in the rain

And pour over everything we say we trust

It happened again, I listened in thru hallways and thin doors

Where the rivers unwind and the rust and the rain endure

(the rust and the rain endure. I'm sure.)

I am insofar to know the measure of love isn't loss

Love will never ever be insofar to know the measure of love ain't loss

Love will never ever be lost on me.

Love will never ever be lost on me.
