And I
I'm dreaming of sleeping next to you and feeling like a
lost little boy in a brand new town
I'm counting my sheep and each one that passes is
another dream to ashes
And they all fall down.

And as I lay me down tonight
I close my eyes
What, what a beautiful sight

[Chorus:]
Sleeping to dream about you
And I'm so tired
Of having to live without you
But I don't mind
Sleeping to dream about you and I'm so tired

I found myself in the riches
Your eyes, your lips, your hair and you were
everywhere
I woke up in the ditches, I hit the light and I thought you
might be here
But you were nowhere (you were nowhere)
Well You were nowhere

And as I lay me back to sleep
Lord I pray that I can keep

[Repeat Chorus]

It's just a little a lullaby to keep myself from crying
myself to sleep at night
Oh just a lullabye to keep from crying myself to sleep
Oh just a, just oh, just a little lullabye,

Sleeping to dream about you
And I'm so tired
Of having to live without you
And I'm so tired

[Repeat Chorus]

Well I'm so, I'm tired
I'm falling, I'm so tired, I'm so tired
