Dun, dun dun dun..shobee do bee do be don,

Dont you worry 'bout, cos I ain't worryin' bout,  
Da da da dun dun, da da da dun dun,  
Don't you worry, no, I wont because, let me tell you  
something...

Well I saw fireworks from the freeway  
Behind closed eyes I can't make them go away  
Cos you were born on the fourth of July,  
Freedom ring,  
Well something on the surface it stings,  
I said something on the surface it kinda makes me  
nervous,  
Well say that you deserve this,  
What kinda god would serve this  
Well were cured this, dirty old disease  
If you you've gots the poison I've gots the remedy

The remedy is an experience, it's a dangerous liason  
The comedy is that it's serious, it's a strange enough  
new play on words  
Its the tradgedy on how you're gonna spend the rest of  
your nights with the light on,  
So shine the light on all of your friends, love, but it all  
amounts to nothing  
In the end

No no, well I wont, well I wont, I wont worry my life away  
Hey, hey, not me. I wont I wont well I wont  
Worry my life away  
Hey hey hey hey hey

I heard two men, they talkin on the radio  
In a crossfire kinda new reality show,  
Uncoverin' the ways to plan the next-a big attack  
And they were countin down the ways to stab the  
brother in the  
Be right back after this  
The unavoidable kiss, with a minty fresh death-breath  
That's sure to outlast this catastrophe

Dance with me  
Cos if you got the poison, baby, I'm your remedy.

The remedy is always the experience  
This is the dangerous liaison  
I say the comedy is that it's serious  
This is a strange enough new play on the words  
You see, the tragedy is how you're gonna spend  
The rest of your nights with the light on  
So shine the light on all of your friends, love,  
Cos it all amounts to nothing in the end.

No, no, well I won't, no, no, worry my life away  
Hey, hey, oh, no, not me, no.  
Well I won't, I won't, I won't, worry my life away, hey hey,  
oh, oh,

When I fall in love,  
I'll take my time, there's no need to hurry, love  
When I'm making up my mind.  
You can turn off the song, but I'm still gonna shine  
And I'll tell you why.

Because, this is a dangerous liaison,  
I say the comedy is that it's serious  
This is a strange enough new play on the words,  
You see, the tragedy is, well you're gonna spend,  
The rest of your nights with the light on  
So shine the light on all of your friends, love  
Cos it all amounts to nothing, oh, no.  
Oh, in the end, no no....

See, I won't worry my life away,  
Hey hey, oh, oh, not me, no.  
Well, I won't, I won't, I won't, worry my life away, no, not  
me.  
No, I said, I won't  
Oh, how you know that I won't, no,  
See, I never worry this life, see, see,  
I never take up my time, no way, no.  
I won't, I won't, I hope you won't  
Worry your life away, hey, hey, go on, keep playing,
