It wasn't so not long ago when
When I was too weak to move on
A broken heart my hope was gone

And I looked up into Your eyes
I was overwhelmed with love
You took me up into Your arms
And now I see Your wonder

You give me life
And now I give it back to You
'Cause everything You've done for me
It is the least that I could do

Since that day You took my hand in Yours
We danced the night away
And no I'll never be the same

What You've done inside of me
I want everyone to see
That You are now my everything

You give me life
And now I give it back to You
'Cause everything You've done for me
It is the least that I could do

You fill my heart
With the love I'll show the world
With everything You've given me
And I could never give enough
Yeah I could never give enough

And now I see Your wonder

You give me life
And now I give it back to You
With everything You've done for me
It is the least that I could do

You give me life
And now I give it back to You

'Cause everything You've done for me
It is the least that I could do

You fill my heart
With the love I'll show the world
With everything You've given me
And I could never give enough
Yeah I could never give enough
