So thank you guys so much for comin' around, stickin'
around.
Some of you who came to both shows, that's really
cool.
Well you see at last
My love well she's come along
And my lonely days well they're finally over
And my life is like a song
At la-ya-ya-ya-ya-yast, at la-a-a-a-ast, oh at last, at last,
oh
Oh, this night above, well it looks like all of you
But you know, my heart is always wrapped up in Toca
(audience laughing)
(Jason : Ha ha)
Oh, the way he plays the fool-oo-oo
Well well - do do do do do
Oh, did you bring your french horn tonight with you Mr.
T
(yeah I brought the french horn)
French me with your horny, horny, horny, horny, horn
Woah-ooo-ooo
Wah-ah ah
Woah-ooo-ooo
Wah
You know he plays the low notes, but he sings the high
notes.
Again this is Mr. Ian Sheridan our friend.
You know what that sounds like?
Sounds like - love, (laughing) life's sweetest reward
It's an open sword
(Toca: sword ?)
Hey love, exciting and new (laughing)
Come aboard, we're expecting you
On the loooove boat (applause)
Soon we'll be making another run
On the loooove boat oh-oh-oh
I'm lookin' to dock my boat - oh
(one, two)
