You've got the best of both worlds  
You're the kind of girl who can take down a man,  
And lift him back up again  
You are strong but you're needy,  
Humble but you're greedy  
Based on your body language,  
And shoddy cursive I've been reading  
Your style is quite selective,  
but your mind is rather reckless  
Well I guess it just suggests  
that this is just what happiness is

Hey, what a beautiful mess this is  
It's like picking up trash in dresses

Well it kind of hurts when the kind of words you write  
Kind of turn themselves into knives  
And don't mind my nerves you can call it fiction  
'Cause I like being submerged in your contradictions  
dear  
'Cause here we are, here we are

Although you were biased I love your advice  
Your comebacks they're quick  
And probably have to do with your insecurities  
There's no shame in being crazy,  
Depending on how you take these  
Words they're paraphrasing this relationship we're  
staging

And it's a beautiful mess, yes it is  
It's like, we're picking up trash in dresses

Well it kind of hurts when the kind of words you say  
Kind of turn themselves into blades  
And kind and courteous is a life I've heard  
But it's nice to say that we played in the dirt  
Cause here, here we are, Here we are  
Here we are x7

We're still here

And what a beautiful mess this is  
It's like taking a guess when the only answer is yes

And through timeless words and priceless pictures  
We'll fly like birds not of this earth  
And tides they turn and hearts disfigure  
But that's no concern when we're wounded together  
And we tore our dresses and stained our shirts  
But it's nice today, oh the wait was so worth it
