Living on the bottom of the sea
Plenty of room for you and me

For you i am
I am so deep
At the bottom of the sea is where'll i be

From the bottom of the ocean
Up to the watershed

To float your boat is what i'm hoping
And we could share my water bed

And all of the whales
Dedicate their songs to you

It hardly compares
To the ones i wrote for you

Yes, i would sail away with you
Ah ah ah ah ah

At the bottom where we'll live
The perfect place to raise our kids

They'll go the school with all the fishes
They won't have to wash no dishes

Under water you will like it
Like it
The current
Don't fight it
Fight it

Open your eyes
See that i'll sail away with you
Yes i would sail away with you
Ah ah ah ah ah

Wishing on the starfish in the sky
Wish i may, wish i might

Every day, every night
Under the ocean blue
I'll say 'I do'
I'd sail away with you

Underwater you will like it
Like it
Go on and dive in
Dive in
Open your eyes
And see that
I'd sail away with you

There's nothing the whales
Can say or do
Yes i would sail away with you
Love you
