VERSE

Don't wake me from this dream
Don't take me from my lover
Love in heavy dosis is what I crave

This honeymoon phase
I hope it lasts forever
I hope these fuzzy feelings never fade

Don't wake me from this dream...

CHORUS

'Cause a love like ours is surely make believe
Yes, a love like ours not everyone can see
Like a falling star, it must be destiny
If there's a god, he sure as hell loves you and me
Don't wake me from this dream...

VERSE

Nah, don't wake me from this dream
Don't take me from this scene
Leave me in my wild... ?? ...
I'm as happy as can be, defying gravity
Don't pinch me, I know I'm not asleep
I'm where I'm meant to be

CHORUS

'Cause a love like ours is surely make believe
Yes, a love like ours not everyone can see
Like a falling star, it must be destiny
If there's a god, she sure as hell loves you and me
Don't wake me from this dream...

Don't take me from this fantasy
Baby, you're so good to me
Don't wake me from this dream

CHORUS

'Cause a love like ours is surely make believe
Yes, a love like ours not everyone can see
Like a falling star, it must be destiny
If there's a god, he sure as hell loves you and me
Don't wake me from this dream...

Don't take me from this fantasy
Baby, you're so good to me
