Crawling out the cocoon I've been living in  
I hear familiar sounds but few recognize who voice it is  
I've been sleeping in until now and charmed I  
started scribbling unscrambling towns  
games we play imagining everything,  
ain't we really lucky cause we get a pair of wings,  
ain't we really lucky and that is a lovely thing,  
ain't we really lucky there is hope for the flowers yeah  
yeah yeah oh yeah oh yeah.  
I'm running now, on the one way ticket to president  
I'm here to smoke you out  
deploy no more armed Americans  
its embarrassing how abroad, how different the  
mission is  
superior forces games we play for managing  
everything  
ain't we really lucky cause we get a pair of wings  
ain't we really lucky and that is a lovely thing  
ain't we really lucky there is hope for the flowers  
yeah yea yeah oh yeah oh yeah oh yeah oh hope for  
the flowers yeah  
oh hope for the flowers.  
Might you try to walk before you learn to crawl

you know much better well if you want to fly  
just close your eyes and click your heels together  
and tell me nothings wrong with this picture,  
nothing is wrong with this picture  
\*scatting\*  
I've been sleeping in until now  
I spun a course in miracles I'm really close now,  
I want us to experience a myriad of styles,  
games we play while managing everything  
ain't we really lucky cause we get a pair of wings  
ain't we really lucky and that is a lovely thing  
ain't we really lucky there's hope for the flowers  
yes oh yes oh yes there is hope for the flowers yes oh  
yes oh yes  
there is hope for the flowers  
yes oh yes oh yes there is hope for the flowers yes oh  
yes oh yes mmm \*scatting\*
