Ugh Dmx

Is y'all motherfuckers ready for the Ruff Ride!  
Grrrrr!

(1st Verse)

When I speak I'm understood, my decision is wood  
I see what I'm able to see, (ugh) cuz my vision is good  
It's like I see through the eyes of a wise old man  
So I chill, knowin I can kill this guy's whole fam  
Sometimes better to be thought dumb and remain  
silent  
than to open your mouth and remove all doubt cuz if it  
came violent  
See I'm gonna give it to you straight, so you don't ask  
anymore  
You don't really want what you asking me for  
It's a war (ugh), and nigga, when it's on it's on  
Doin' wrong (what) till I'm gone and I ain't got long  
But while I'm here, (ugh) ya'll niggaz gonna burn  
Peep how I finished money (what) and y'all niggaz  
gonna learn  
All fucking week you've been talking about that drive-  
by  
And ain't did nothing but drive by  
Listen shorty I'm telling you this for your own good  
(Uhh) Everybody is the man in they own hood, for real

Chorus x4

Yeah cuz if it's on it's on  
Bitch niggas keep frontin' then your ass is gone!!

(2nd Verse)

I always keep my enemies the closest (uhh)  
Always make sure I know where the toast is (uhh)  
Always cover my tracks when I creep  
Always get away when I'm done to relax, shit is deep  
I always know the rules of the game before I play  
And always keep enough dough to know I'm good for  
the day

I always walk my dogs off the leash and  
always get my thoughts off the streets and  
always remember lend a hand then borrow  
And always no matter what plan for tomorrow  
I always pay my respects to the dead  
I always take at least one blunt to the head  
Now always know which bitches is gonna end up  
getting fucked  
And always know which niggas is gonna end up getting  
stuck!  
I'm always strapped; I've always packed  
I've always rapped; it's always that  
Always black

Chorus x4

(3rd Verse)

Never try to knock off rock on the block that ain't yours  
Never take a man's life cuz you hate yours  
Never become so involved with something that it blinds  
you  
Never forget where you from someone will remind you  
Never take for granted what's been given as a gift  
And never sleep on a nigga, less that nigga stiff  
Never turn your back on a nigga you don't trust  
Never turn your gat on a nigga and don't bust  
Never expect to get away with the same shit -- more  
than twice  
Never forget you could get it too for a price  
Never bring it to a nigga, if you scared to die  
Never gonna do it nigga, if you scared to try  
Never gonna be another day it gets dark, nigga  
Never get it fucked up, that shit here, for the heart  
nigga  
Never say never, cuz I never thought this clever  
thought never  
Ever caught better, getting cheddar, with three letters,  
DMX!

Chorus x4
