It's a long road to forgiveness
But I got nothing behind
I will be there to bare witness
And I got love in this heart of mine

A tiny little teardrop in the ocean
Whose ripples never reach the shore
And I was at war with my emotions
But I never knew what I was fighting for

It's a long to forgiveness
But I got nothing but time
I will be there to bare witness
And I've got love in this heart of mine

Forgiveness is the greatest kind of love there is
Best believe in what you can't see
Let faith be your evidence
You gotta shine a light on the path back your home
Cause after all, forgiveness it is a long damn road

And so it is
And so it goes
And so it is
And so it must be
So it is
So i've been told
Time moves on
Time will be
Time moves slow
And so it is
And so it must be
So the sky becomes the sea
So the sky
Becomes the sea

It's a long road to forgiveness
And I got nothin but time
I will be there to bare witness
I got love
And iv got love in this heart of mine

I got love
I've got love in this heart of mine
I got love
I've got love in this heart of mine
