Man gave names to all the animals  
In the beginning, in the beginning  
Man gave names to all the animals  
In the beginning, long time ago

He saw an animal that liked to growl  
Big furry paws and he liked to howl  
Great big furry back and furry hair  
Ah, think I'll call it a bear

Man gave names to all the animals  
In the beginning, in the beginning  
Man gave names to all the animals  
In the beginning, long time ago

He saw an animal up on a hill  
Chewing up so much grass until she was filled  
He saw milk coming out but he didn't know how  
Ah, think I'll call it a cow

Man gave names to all the animals  
In the beginning, in the beginning  
Man gave names to all the animals  
In the beginning, long time ago

He saw an animal that liked to snort  
Horns on his head and they weren't too short  
It looked like there wasn't nothing that he couldn't pull  
Ah, think I'll call it a bull

Man gave names to all the animals  
In the beginning, in the beginning  
Man gave names to all the animals  
In the beginning, long time ago

He saw an animal leaving a muddy trail  
Real dirty face and a curly tail  
He wasn't too small and he wasn't too big  
Ah, think I'll call it a pig

Man gave names to all the animals  
In the beginning, in the beginning

Man gave names to all the animals  
In the beginning, long time ago

Next animal that he did meet  
Had wool on his back and hooves on his feet  
Eating grass on a mountainside so steep  
Ah, think I'll call it a sheep

Man gave names to all the animals  
In the beginning, in the beginning  
Man gave names to all the animals  
In the beginning, long time ago

He saw an animal as smooth as glass  
Slithering his way through the grass  
Saw him disappear by a tree near a lake
