Sing about that, oh, love, it's a brittle madness
Sing about it in all my sadness
Not falsified to say that I found God so

Inevitably, well, it still exists
Pale and fine, I can't dismiss
And I won't resist and if I die, well, at least I tried

And we just lay awake in lust and rust in the rain
And pore over everything we say we trust
Well, it happened again, I listened in through hallways
and thin doors
Where the rivers unwind, rust and the rain endure
The rust and the rain so thin, well, I'm in like Flynn
again, I'm in

So go on place your order now
'Cause some other time is right around the clock
You can stand in line, well, it finally begins, oh just
around the block

You can have your pick if your stomach is sick
Whether you eat or not
And there is just one thing that I almost forgot

Oh, see, you and me, we lay awake in lust and rust in
the rain
And pore over everything we say we trust
Well, it happened again, I listened in through hallways
and thin doors
Where the rivers unwind, the rivers unwind so easy
Oh, these are the comforts that be

You see, well, I'm feeling lucky, oh well, maybe that's
just me
Well, you'd be so proud of me, oh well, if you could
only see
How we're gonna grow on up to be
Ah yes, we are thick as thieves

Sing about that, oh, love it's a brittle madness
Sing about it in all my sadness

Not falsified to say that I found God so

Inevitably, well, it still exists
So pale and fine, I can't dismiss
And I won't resist and if I die well at least I tried

And we just lay awake in lust and rust in the rain
And pore over everything we say we trust
Well, it happened again, I listened in through hallways
and thin doors
Where the rivers unwind, rust and the rain endure
The rust and the rain endure, I'm sure

Because I'm insofar to know the measure of love ain't
lost
Love will never ever be
Insofar to know, the measure of love ain't lost
Love will never ever be
Insofar to know, the measure of love ain't lost
Love will never ever be lost on me

Oh, not tonight, said love will never ever be lost on me
Love will never ever be lost on me
Love will not be
Love will never be lost on me
Love will not be lost on me
