Well, I saw fireworks from the freeway  
And behind closed eyes, I cannot make them go away  
'Cause you were born on the fourth of July, freedom  
ring  
Well, something on the surface it stinks

Well, something on the surface  
It kind of makes me nervous  
To say that you deserve this  
And what kind of God would serve this  
We will cure this dirty old disease

Well, if you you've got the poison, I've got the remedy  
The remedy is the experience, this is a dangerous  
liaison  
I says the comedy is that it's serious  
This is a strange enough new play on words

I said, the tragedy is that you're going to spend  
The rest of your nights with the light on  
So shine the light on all of your friends  
Well, it all amounts to nothing in the end

I won't worry my life away  
Say, I won't worry my life away

Well, I heard two men, talking on the radio  
In a crossfire kind of new reality show  
Uncovering the ways to plan the next big attack  
Or they were counting down the ways to stab  
The brother in the be right back after this  
The unavoidable kiss, with a minty fresh death-breath  
Is sure to outlast this catastrophe dance with me

Well, if you've got the poison and baby I'm your  
remedy  
The remedy is the experience, this is a dangerous  
liaison  
I says the comedy is that it's serious  
This is a strange enough new play on words

I said, the tragedy is that you're going to spend

The rest of your nights with the light on  
So shine the light on all of your friends  
Well, it all amounts to nothing in the end

Oh, Lord  
I won't, I won't worry my life away  
Say, I, I won't worry my life away

When I fall in love now  
I take my time, there's no need to hurry  
When I'm making up my mind  
You can turn off the sun, but I'm still going to shine  
And I'll tell you why

Because the remedy is always the experience  
And it's a dangerous liaison  
I says the comedy is that it's serious  
And is a play on words

I said, the tragedy is that you're going to spend  
The rest of your nights with the light on  
So shine the light on all of your friends  
Well, it all amounts to nothing in the end

Oh, Lord  
I won't, I won't worry my life away  
Say, I, I won't worry my life away

Not today, I won't, I won't, I won't  
Worry this life away  
Oh, ain't worrying this no more  
I said I won't, I won't, I won't  
Worry this life away tonight, tonight  
'Cause we got to feel more, oh
