Verse 1

In a difficult breath
She reached for the phone
She knew she needed friends
And didn't wanna be left alone
It wasn't like her
To have her feelings hurt
But everybody hits a wall
Everybody needs a call

Verse 2

He was living on sidewalk
Just living, no business at all
There was something to this man
Who had seen it all
He wasn't looking for a handout
He didn't want my money neither
Just tired of speaking to the wall
Said everybody needs to talk

Whoa oh oh

Chorus

I'm coming to your rescue
Coming to your rescue
Like a fireman, I'll be your 911
Whenever you need to escape somehow
Rescue, I'm coming to your rescue
No I'll never let you down
Never let you down
No I'll never let you ever fall down
No oh oh oh oh
Woah oh oh

Verse 3

Born in 2002
Too young for the work he do
Too young to have that kind of voice

That people listen to
Not made for the factory

Not made to be a soldier neither
It's not what he deserves
Everybody should be heard....

Chorus

Rescue,
I'm coming to your rescue
Like a fireman, I'll be your 911
Whenever you need to escape somehow
Rescue,
I'm coming to your rescue
No I'll never let you down
Never let you down
No I'll never let you ever fall down
No oh oh oh oh
No oh oh
No oh oh oh oh

Life was made for love
As one and one is two
People need to be seen
I see you
When you're down on your luck
You know what I will do
Ah ah, ah ah ah
Ah ah, ah ah ah
Ah ah, ah ah ah
Ah I

I hear you, I know you
I love you, 'cos I am you
Here I come, here I come
Here I come, here I come

I'm coming to your rescue
I'm coming to your rescue
Like a fireman, I'll be your 911
Whenever you need to escape somehow
Rescue,
I'm coming to your rescue
No I'll never let you down
Never let you down
No I'll never let you ever fall down
No oh oh oh oh
