She is the bomb
And she's blowing up
She's sick
And wicked
And ridiculous
She's all good in my neighborhood
Delicious and savaging
I ain't mad at the million ways
To describe her
The girl is chill
The girl's on fire
She's the bomb
And she's mine

She's fresh
She's killer
She's all flavor
And no filler
She's legit
She's on my donkeylist
So piggity-bang bang
She's hazardous
She's got the wackness
It's all happening
She's tripping on life
Fantastic
She's it
She's fit
She's slamming
Cause she's the shit

She is the bomb
And she's blowing up
She's sick
And wicked
And ridiculous
She's all good in my neighborhood
Delicious and savaging
I ain't mad at the million ways
To describe her
The girl is chill

The girl's on fire
She's the bomb

And she's speaking my language
Whatever you say
I like it
I like it
Whatever your name is
It's alright to claim
That she's mine
She's mine
She's mine
She's mine

She's dope
She's golden
Mama so hot
She's molten
She's fly
And oh so heavy
She's so off the chain
It's crazy
Mean
So steamy
So easy on the eyes
So dreamy
She's awesome
She's awesome
She's it

She is the bomb
And she's blowing up
She's sick
And wicked
And ridiculous
She's all good in my neighborhood
Delicious and savaging
I ain't mad at the million ways
To describe her
The girl is chill
The girl's on fire
She's the bomb
And she's mine

She's speaking my language
Whatever you say
I like it
I like it
Whatever your name is
It's alright to claim
That she's mine

She's mine
She's mine
She's mine

And she's the bomb
She's the bomb
She's the bomb
She's the bomb
