So Unusual

Sold Out (In Stereo)

this is the most unusual story  
of a most unusual girl  
she's been painting my picture  
of a most unusual world  
she can crawl out of frame  
while she's hanging on the wall  
and she's calling my name  
she's not so usual  
she's most unusual  
she's not so usual  
she's so unusual

she's mostly a ghost the way she watches over me  
she complains when i smoke  
but then you do the same to me  
she's controlling my brain activity  
knowing when i go to sleep  
she'll catch me when i'm falling hard  
she's so unusual  
she's not so usual  
she's not so usual  
she's so unusual

she's not so hooked on the drugs  
like i thought that she was  
and never sucking on the lime  
and hardly sipping on the wine  
and despite of her bipolar rollercoastering

i think i can trust  
she'll keep me singing differently  
And it's fine cause she's with me now  
most all of the time  
trying and saving my life  
thinking not of her own  
and always kissing me goodnight  
when I just need to be alone  
she's so sweet

so discreet  
she's exactly what I need  
not even make believe  
She's not so usual  
so unusual  
She's not so usual  
so unusual  
Not so usual  
and not too practical either  
well she's not so mystical  
but not too magical neither  
she's not so outta control  
and not so used to the fold  
she's not so usual  
na, she's a natural  
oh she's not so usual  
she's most unusual  
she's so unusual  
she's so unusual  
she's gonna use me up  
she's not so u  
she's not so u  
not so u  
not so
