See the curtains hanging in the window  
In the evening on a Friday night  
A little light shining through the window  
Lets me know that everything's alright  
Summer breeze, makes me feel fine  
Blowing through the jasmine in my mind  
Summer breeze, makes me feel fine  
Blowing through my, makin me feel all-right  
Making me feel, making me feel fine  
Makes me feel right  
Blowing through the jasmine in my mind  
See the paper layin on the sidewalk  
A little music from the house next door  
Who lives next door?  
So i walk on up to the doorstep  
Threw the screen and then i cross the floor  
Summer breeze makes me feel fine  
Blowing through my mind love  
Summer breeze makes me fine  
Blowing yeah your makin me all right  
Makin me feel making me feel fine  
Make me feel right  
Blowin through the jasmine in my mind...in my mind  
Sweet days of summer, the jasmine's in bloom  
July is dressed up and playing her tune  
When I come home, from a hard day's work  
And you're waiting waitin waitin there, yes you're  
waiting there  
Without a care in the world  
I see the smile awaiting in the kitchen  
Food a-cooking and a place there for two  
You, i feel the arms that reach out to hold me  
In the evening when the day is through  
Summer breeze, makes me feel fine  
Blowing through my mind  
Summer breeze, makes me feel fine  
Blowing through my, making me feel allright  
Making me feel, making me feel fine  
Makes me feel right  
  
Blowing through the jasmine in my, blowing  
blowing(x4)

Blowing through the jasmine in my, blowing
