The night, she brushed her hand upon my flushed  
cheek  
Smelled of childhood remnants of a dusty weeping  
willow  
Clouds soothe and shredded by the calico  
Were, oh, so vast and quick as I was on my own now

And this time like every other time I believe that I never  
find  
Another sweet little girl with sequined sea foam eyes  
Ocean lapping voice smile coy as the brightest quiet  
span of sky  
And I'm all alone again tonight, not again, not again,  
not again  
Not again, not again, not again

And don't it feel alright and don't it feel so nice, lovely,  
lovely, lovely  
Say it, say it again, aah, lovely, say it again

Well I'm unable to inhale all that the riches  
As I'm awkward as a wound on my bones  
Still I've got cobblestone joints and plate glass points  
As I'm all by myself tonight, not again, not again

And don't it feel alright and don't it feel so nice, lovely,  
lovely, lovely, say

If you should nervously break down  
When it's time for the shakedown, would you take it?  
It's when you cry just a little, but you laugh in the  
middle that you've made it  
And don't it feel alright and don't it feel so nice, love,  
love, love, lovely

Say it, say it, say it again, love, love, love, love, so  
lovely, lovely  
To do it again it's so lovely to do it again, again, oh  
loving again  
It's coming again, it's coming again, lovely

Say it, say it, say it again, aah, so beautiful, so nice

It's coming again, lovely
