Heaven..  
Heaven..  
I'm in heaven with you,  
The only one for me  
I'm in heaven with you,  
The only one for me.

Dont want to be the one,  
To tell you how I feel  
When these feelings I have,  
Really are for real  
The time is right for this,  
Our love to shine on through  
But you gotta tell me,  
What you wanna do.  
I'm in heaven with you..  
I'm in heaven with you..

I'm in heaven with you,  
The only one for me  
I'm in heaven with you,  
The only one for me  
Your love  
Heaven..  
Your love  
Only one, only one,  
Your love,  
Heaven..  
Your love,  
The only one, the only one.

Everytime you're near,  
I start to lose control,  
When the thought of you,

Hits my very soul  
When you're lying in my bed,  
Right next to me  
That's when it starts to feel,  
Feel like ecstasy  
I'm in heaven with you..  
I'm in heaven with you..

I'm in heaven with you,  
The only one for me  
I'm in heaven with you,  
The only one for me  
I'm in heaven with you,  
The only one for me  
I'm in heaven with you,  
The only one for me

Your love  
Heaven..  
Your love  
Only one, only one,  
Your love  
Heaven..  
Your love  
Only one, only one.

I'm in heaven with you,  
Only one, only one  
I'm in heaven with you,  
Only one for me  
I'm in heaven with you,  
Only one, only one  
I'm in heaven with you..

Only one for me
