The angel's called you  
To leave this land  
My work is finished  
My work is finished  
The angel's command  
I'll come to join you  
Reach out your hand  
And I'll be flying home  
Straight into your arms  
And I'll be flying home  
Carry me on  
Carry me on  
And I'm flying home  
The angel's called me  
To shut the door  
We're almost touching  
Almost touching  
Just one minute more  
I'll hear you call me  
Just like before  
And I'll be flying home  
Straight into your arms  
And I'll be flying home  
Carry me on  
Carry me on  
And I'm flying home  
Carry me on  
Speak my name  
And I'll rise into the sky  
Carry me on  
And I'll taste the heavens  
Carry me on  
And my shame and my fear  
Will pass me by  
I'm rising, rising  
Say the words  
And I'll lift into the air  
Carry me on  
And I'll stay forever  
I'm ready Father  
Take my hand

I'm ready Father  
To fly, to fly  
Fly  
I'm flying home  
Straight into your arms  
I'm flying home,  
Carry me on  
Carry me on  
Carry me on  
Carry me on  
Carry me on  
Carry me on  
I'm flying, how high I'm flying, home  
Straight into your arms  
I'm flying how  
Carry me on  
Carry me on  
And I'm flying home
