She takes a drink, she's had a few  
She wants to not feel guilty  
Empties the glass and shakes her ass  
Forgets that she is filthy

She knows the game they're all the same  
She's gonna use her body  
She strikes the match as  
She is covering my heart with

Gasoline and I'm going down much faster  
Than anything I've ever seen  
Gasoline and she's a heartless bitch  
Telling me to keep my mouth clean

She's walking home, she's not alone  
She does not know how to be  
She figured out just where it hurts  
She wants to give it to me

He takes her hand, they go to bed  
They wanna make me crazy  
He hits the lights as  
She is covering my heart with

Gasoline and I'm going down much faster  
Than anything I've ever seen  
Gasoline and she's a heartless bitch  
Telling me to keep my mouth clean

I don't wanna see your face  
I don't wanna speak your name  
Don't wanna hear your voice  
Your reminiscing's all the same  
It's all the same

I don't wanna see your face  
I don't wanna speak your name  
Hear your voice  
Isn't this the way you wanted me  
Bleeding out and drinking?

Gasoline and I'm going down much faster  
Than anything I've ever seen  
Gasoline and she's a heartless bitch  
Telling me to keep my mouth clean

I can't tell, I can't tell  
I can't tell, bitch  
I can't tell, I can't tell  
I can't tell anything but she's a heartless bitch
