Just one more airplane
Just one more war to win
Just one more storming sea
I'm lost but I'm still sailing

Just one more hurricane
Just one more time machine
And I'll be free

I'll never leave you again
I'll never leave you again
I'll burn my suitcase to ashes and then
I'll never leave you
I'll never leave you again

Just one more rocket ship
To shoot me to the stars
Just one more parachute
To drop me safely where you are

Just one more taxi cab
Just one more telephone
And I'll be home

I'll never leave you again
I'll never leave you again
I'll burn my suitcase to ashes and then
I'll never leave you
I'll never leave you

Just one more hill to climb
Just one more road to take
Just one more run to ride
Before I kiss your face

I'll never leave you again
I'll never leave you again
I'll burn my suitcase to ashes and then
I'll never leave you
I'll never leave you again

I'll never leave you again
